20 LITRES

ECOTOXIC HSN0 Class 6.1D, 6.3A, 6.4A, 9.1B HSR 002503

Directions for use

Situation	Application Rate/100L	Critical comments
Post emergent Herbicides	0.5 litres	Typical use rate is 0.5 Litres/100 Litres. Apply a minimum of 250 mL of Tabute per Hectare.
Targa*	0.5 litres	
Sugarcane	1.0 litres	Use where specified. Apply a minimum rate of 500 mL/ha.

NOT TO BE USED FOR ANY PURPOSE OTHER THAN INDICATED ON THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION.

Toxicity: May be harmful if swallowed, inhaled or absorbed through the skin. May cause eye and skin irritation. Avoid inhalation with eyes and skin.

Ecotoxicity: Toxic to the aquatic environment. Do not contaminate an aquatic environment with chemical or empty container. Do not spray over or allow drift over aquatic environment.

Product Spillage / Disposal: Do not allow product to enter waterways, drains or sewers. Absorb spillage on inert material such as soil or sawdust. Wash area with water and absorb on inert filler and dispose of in a suitable landfill. **EXPLOSION WARNING:** Apparently "empty" containers may contain liquid and/or vapour which can be explosive if exposed to an ignition source at temperatures above 90°C. Explosion may cause injury or death.

CONTAINER DISPOSAL: Triple rinse container and return to recycler. Alternatively, ensure container is completely empty, triple rinse, puncture and bury in landfill if permitted.

HANDLING PRECAUTIONS: When mixing or applying wear protective clothing, goggles or face shield and respirator if risk of inhalation. Do not eat or drink while using. Wash hands and face before meals and after work. Wash protective clothing after work.

STORAGE: Store in original container tightly closed and in dry, cool, well ventilated area, away from seed and foodstuffs. Store in accordance with NZS8409 Management of Agrichemicals. See Product Hazard Card.

FIRST AID: If swallowed DO NOT induce vomiting. Rinse mouth with water and give water to drink. For advice, contact the **National Poisons Centre 0800 POISON (0800 764 766)** or a doctor immediately. If skin, hair or eye contact occurs, remove contaminated clothing and flush skin, hair and/or eyes with running water for several minutes. Additional information is contained in the **Material Safety Data Sheet** which is available from the reseller at point of purchase or visit www.sstnewzealand.co.nz for alternate contact details.
