

CAUTION

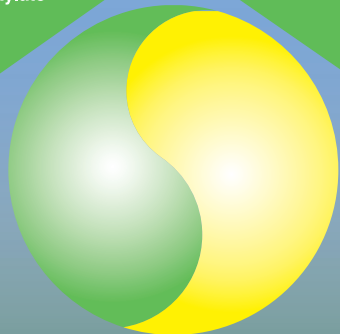

KEEP OUT OF REACH OF CHILDREN

READ LABEL AND SAFETY DIRECTIONS BEFORE OPENING OR USING

Talisman™

“Quality biodegradable multi-purpose agricultural surfactant, penetrant, and drift retardant”

ACTIVE CONSTITUENTS: Soyol Phospholipids, ethyl esters of fatty acids, natural alcohol ethoxylate

Penetrating Surfactant
Increased Spreading
Assists with Uptake of Spray Mixture
Assists in Management of Spray Droplet Size

CONTENTS: 10 LITRES

400017543.01

HAZARD CLASSES 8.3A, 9.1D

HSR002653

WARNING: Causes serious eye damage. Toxic to aquatic life. If medical advice is needed, have product container or label at hand.

ENVIRONMENTAL WARNING: Avoid release to the environment or contaminating waterways. Readily biodegradable.

PRODUCT DISPOSAL: Do not allow product to enter waterways, drains or sewers. Absorb spillage on inert material such as soil and dispose of in a suitable landfill.

CONTAINER DISPOSAL: Triple rinse container and return to recycler. Alternatively, dispose of container through a commercial waste collection service.

HANDLING PRECAUTIONS: When mixing or applying wear protective clothing, goggles or face shield and respirator if risk of inhalation. Use in a well-ventilated area. Do not use near ignition sources. Do not eat, drink or smoke while using. Wash hands and face before meals and after work. Wash protective clothing after work.

STORAGE: Store in original container tightly closed and in dry, cool well-ventilated area, away from sources of ignition, oxidizing agents, strong acids, foodstuffs, and clothing.

FIRST AID: If swallowed DO NOT induce vomiting. Rinse mouth with water and give water to drink. For advice, contact the **National Poisons Centre 0800 POISON (0800 764 766)** or a doctor immediately. If skin, hair or eye contact occurs, remove contaminated clothing and flush skin, hair and/or eyes with running water for several minutes. Additional information is contained in the **Safety Data Sheet** which is available from the reseller at point of purchase or visit **www.dksh-agrisolutions.com** for alternate contact details.

Directions for use

Situation	Rate - 100L	Critical Comments
Herbicides	125 - 250ml	Use 125 - 250ml/100 litres of spray mixture when used as a surfactant/penetrant.
Dessicants and Defoliants	125 - 250ml	Use 125 - 250ml/100 litres of spray mixture when used as a surfactant/penetrant.
Fungicides, Pesticides, Plant Growth Regulators	65 - 250ml	Use 65 - 250ml/100 litres of spray mixture.
Drift Retardant	125 - 500ml	Use 125 - 500ml/100 litres of spray mixture. Higher rates provide better drift reduction.

Do not use with crop protection products on any horticultural tree or vine crops.

Check specific product labels for individual recommendations.

**NOT TO BE USED FOR ANY PURPOSE OTHER THAN INDICATED ON THIS LABEL
UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION.**

Date of Manufacture:

GENERAL INSTRUCTIONS

Talisman is a premium quality biodegradable non-ionic surfactant for agricultural sprays. Talisman reduces the surface tension of spray droplets and enhances the activity and penetration of the spray mixture. Talisman improves deposition and provides better drift reduction by producing a more uniform spray pattern. Talisman is formulated to be an environmentally friendlier version of alternative products. It contains no methyl or methanol derivatives, or branched chain synthetic alcohol ethoxylates.

Read all directions for use on the Talisman label and on pesticide label. The pesticide manufacturers directions and recommendations always take precedence over directions contained on this label.

MIXING

Talisman mixes easily with water and should be added directly to the spray tank after the addition of other components.

CONDITIONS OF SALE

The use of Talisman being beyond the control of the manufacturer, no warranty expressed or implied is given by DKSH Agrisolutions New Zealand Ltd regarding its suitability, fitness or efficiency for any purpose for which it is used by the buyer, whether in accordance with the directions or not and DKSH Agrisolutions New Zealand Ltd accepts no responsibility for any consequences whatsoever resulting from the use of this product.
